Every day, our dedicated hospice team provides compassionate care to each patient. We are committed to helping your loved ones spend their last days surrounded by peace, love and comfort. Wellstar Hospice Care will continue to be a beacon of light and hope for families now and in the future.

Wellstar Hospice Care is a service of Wellstar Health System, the largest not-for-profit health system in Georgia. The Wellstar Foundation is the philanthropic arm of Wellstar. All gifts are tax deductible as allowed by law, and 100% of every gift serves the purpose for which it is designated. Wellstar Hospice is licensed by the state of Georgia, 033-007-H. The Tax ID # for the Wellstar Foundation is 58-1627413.

Heart to Heart Campaign

In partnership with the Wellstar Foundation Wellstar Hospice Care

For more than 40 years, Wellstar Hospice Care has been serving patients and their loved ones with care and compassion.

Founded at Kennestone Hospital, Wellstar Hospice Care began caring for patients in 1982. To commemorate this milestone year, Wellstar Hospice Care, in partnership with the Wellstar Foundation, is celebrating with an opportunity to honor the past and to look toward the future. This is an opportunity to give peace of mind to future patients and their families through honoring the thousands of patients and families who have received care through the years.

The Heart to Heart campaign is a celebration of the past and a foundation built on compassion for the future. Our goal is to grow the Angel Fund Endowment by \$1 million by 2025.

A Garden With A Purpose

Donations made to the Wellstar Foundation in support of the Heart to Heart campaign will go toward the Angel Fund Endowment, a fund which helps provide hospice care for patients who lack financial resources. While all medically-qualified patients are accepted, there has been a dramatic increase in the number of patients who need assistance, particularly patients younger than age 65 who do not qualify for Medicare or Medicaid or who have exhausted insurance benefits. On average, the Angel Fund Endowment helps over 125 patients a year.

The Gardens

Heart to Heart gardens have been installed at each Tranquility location (Austell and Marietta). Framed in red brick, the gardens are in the shape of a large heart, a symbol of the love shared between our patients and their families and the compassion of our donors whose gifts to the garden will benefit future patients. Within the large heart are hand-cut black granite rocks shaped as hearts that can be engraved in honor of a loved one or friend.

Our Gift To You

The minimum donation to be recognized with an engraved heart is \$10,000, the average cost of care for one patient during their hospice stay. Additionally, we will proudly feature the names of Heart to Heart campaign contributors on a display placed in the lobby of each Tranquility, alongside donors to the Wellstar Hospice Circle of Hope giving society.
