Part I: Patient Origin Table

1. Patient Origin

- Inpat=Inpatient Services
- Surg=Outpatient Surgical
- OB=Obstetric
- P18+=Acute psychiatric adult 18 and over
- P13-17=Acute psychiatric adolescent 13-17
- P0-12=Acute psychiatric children 12 and under
- S18+=Substance abuse adult 18 and over
- S13-17=Substance abuse adolescent 13-17
- E18+=Extended care adult 18 and over
- E13-17=Extended care adolescent 13-17
- E0-12=Extended care children 0-12
- LTCH=Long Term Care Hospital
- Rehab=Inpatient Physical Rehabilitation

Please report the county of origin for the inpatient admissions or discharges excluding newborns (except surgical services should include outpatients only). You may enter the data on the web form or upload the data to the web form using a .csv file that matches our downloadable template. The .csv file must contain the same column headings as shown in our template, in exactly the same order. You do not need to include every county, but the county names, state names, and other out of state category must match those in our template.

Georgia Minority Health Advisory Council Addendum

Because of Georgia's racial and ethnic diversity, and a dramatic increase in segments of the population with Limited English Proficiency, the Georgia Minority Health Advisory Council is working with the Department of Community Health to assess our health systems' ability to provide Culturally and Linguistically Appropriate Services (CLAS) to all segments of our population. We appreciate your willingness to provide information on the following questions:

Do you have paid medical interpreters on staff? (Check the box, if yes)

If you checked yes, how many? (FTEs)

55

What languages do they most often interpret?

American Sign Language, Spanish, and Mandarin

When a paid medical interpreter is not available for a limited-English proficiency patient, what alternative mechanisms do you use to assure the provision of Linguistically Appropriate Services? (Check all that apply)

Bilingual hospital staff member

Community Volunteer Interpreter

Refer patient to outside agency

Bilingual member of patient's family

Telephone interpreter service

Other

Please describe

Video Remote Interpreting Service, The SOS Agency provides onsite interpretation for ASL only Language Line Solutions provides onsite interpretation and written

Please complete the following grid to show the proportion of patients you serve who prefer speaking various languages (name the 3 most common non-English languages spoken.):

| Top 3 most common non-English languages spoken by your patients | Percent of patients for whom this is their preferred language | # of physicians on staff who speak this language | # of nurses on staff who speak this language | # of other employed staff who speak this language |
|---|---|--|--|---|
| Spanish | 0 | 28 | 33 | 94 |
| Haitian Creole | 0 | 0 | 0 | 6 |
| Portuguese | 0 | 1 | 0 | 2 |

What training have you provided to your staff to assure cultural competency and the provision of Culturally and Linguistically Appropriate Services (CLAS) to your patients?

Staff is required to complete (1) annual training related to identifying and responding to cultural needs; (2) language access-specific training; (3) training related to addressing cultural and language needs for registration, scheduling, and patient-facing support roles; (4) interpreter competency and professional development; (5) use of AI-enabled tools for language needs and services.

What is the most urgent tool or resource you need in order to increase your ability to provide Culturally and Linguistically Appropriate Services (CLAS) to your patients?

The most urgent resource needed to increase our ability to provide CLAS is a language access management platform that integrates with our medical record system.

In what languages are the signs written that direct patients within your facility?

Language One:

English

Language Two:

Language Three:

Language Four:

If an uninsured patient visits your emergency department, is there a community health center, federally-qualified health center, free clinic, or other reduced-fee safety net clinic nearby to which you could refer that patient in order to provide him or her an affordable primary care medical home regardless of ability to pay? (Check the box, if yes)

If you checked yes, what is the name and location of that health care center or clinic?

Please note that the survey WILL NOT BE ACCEPTED without the authorized signature of the Chief Executive Officer or Executive Director (principal officer) of the facility. The signature can be completed only AFTER all survey data has been finalized. By law, the signatory is attesting under penalty of law that the information is accurate and complete. I state, certify and attest that to the best of my knowledge upon conducting due diligence to assure the accuracy and completeness of all data, and based upon my affirmative review of the entire completed survey, this completed survey contains no untrue statement, or inaccurate data, nor omits requested material information or data. I further state, certify and attest that I have reviewed the entire contents of the completed survey with all appropriate staff of the facility. I further understand that inaccurate, incomplete or omitted data could lead to sanctions against me or my facility. I further understand that a typed version of my name is being accepted as my original signature pursuant to the Georgia Electronic Records and Signature Act. **Do not sign until you are ready to submit. Signed surveys will be locked to prevent post-validation revisions that could throw the survey out of balance. If you sign the survey, you will need to contact us to unlock it for revision.**

Part E4: Trauma Registry codes are used to determine Trauma volumes in the ED. ICD-10 codes are utilized to determine psych ED volumes. Patients ages 0-17 are considered pediatric patients treated in pediatric beds. All other patients are considered treated in general ED beds for survey reporting. Utilization volumes are based on the type of clinical encounter, regardless of where within the ED the encounters take place.

Part E.8: Hospital unable to track diverted cases.
