Wellstar Vinings Health Park

Comprehensive Care Convenient to You

Wellstar knows every person is different and comes with their own set of individualized health needs.

That's why Wellstar Vinings Health Park offers comprehensive care under one roof. From primary care and diagnostic medicine to treatment and follow-up services, getting a tailored wellness plan has never been more convenient. No two patients are exactly alike, and at Wellstar, we would never treat them that way.

Cardiac Diagnostics

Suite 211 | (470) 956-4177

Monday–Thursday, 8 AM to 4 PM; Closed Friday
Call (470) 732-4503 for further assistance.

Cardiac diagnostic testing is a non-invasive way to detect certain heart conditions. Using your results from a combination of tests, cardiologists can better diagnose and treat heart disease. Trust our expert care team of cardiovascular specialists, exercise physiologists, sonographers, nuclear technicians and nurses to keep your heart healthy. Tests performed include treadmills, nuclear stress tests, echocardiograms, stress echocardiograms, vascular exams and event/Holter/Telemetry (MCOT) monitors.

Cardiac & Pulmonary Rehabilitation

Suite 114 | Scheduling: (470) 956-0423

Take charge of your heart and lung health. Cardiac and pulmonary rehabilitation programs include medically-supervised exercise, education and lifestyle modification training solutions.
