Wellstar East Cobb Health Park

Comprehensive Care Convenient to You

Wellstar knows every person is different and comes with their own set of individualized health needs.

That's why Wellstar East Cobb Health Park offers comprehensive care under one roof. From primary care and diagnostic medicine to treatment and follow-up services, getting a tailored wellness plan has never been more convenient. No two patients are exactly alike, and at Wellstar, we would never treat them that way.

Cardiac Diagnostics

Suite 211 | Scheduling: (770) 321-3490
Monday–Friday, 8 AM to 5 PM

Cardiac diagnostic testing is a safe, non-invasive way to detect certain heart conditions. Using your results from a combination of easy-to-perform tests, cardiologists can better diagnose and treat heart disease. Trust our expert care team of cardiovascular specialists, exercise physiologists, sonographers, nuclear technicians, and nurses to keep your heart healthy. Tests performed include treadmill and nuclear stress tests, echocardiograms and stress echocardiograms, vascular exams, and event/Holter/MCOT monitors.

Cardiac & Pulmonary Rehabilitation

Suite 114 | (470) 956-0180

Take charge of your heart and lung health. Cardiac and pulmonary rehabilitation programs include medically-supervised exercise, education, and lifestyle modification training solutions.

Imaging Services

Suite 102 | Main: (470) 956-8765
Scheduling: (678) 581-5900

Wellstar East Cobb Health Park's Imaging Services offers the latest technology and a variety of exams, including 3D digital mammography, MRI (including breast and cardiac), CT, X-ray, ultrasound and bone densitometry.

We offer same-day appointments for your convenience. If a pre-certification is needed, patients will be scheduled as soon as possible. Most imaging reports are ready within 24–48 hours.
