Wellstar Cherokee Health Park at Holly Springs

Comprehensive Care Convenient to You

Wellstar knows every person is different and comes with their own set of individualized health needs.

That's why Wellstar Cherokee Health Park offers comprehensive care under one roof. From primary care and diagnostic medicine to treatment and follow-up services, getting a tailored wellness plan has never been more convenient. No two patients are exactly alike, and at Wellstar, we would never treat them that way.

Cardiac Diagnostics

Suite 301 | (470) 267-0220

Monday–Thursday, 8 AM to 4:30 PM
Fridays as available

Cardiac diagnostic testing is a safe, non-invasive way to detect certain heart conditions. Using your results from a combination of easy-to-perform tests, cardiologists can better diagnose and treat heart disease. Trust our expert care team of cardiovascular specialists, exercise physiologists, sonographers, nuclear technicians, and nurses to keep your heart healthy. Tests performed include treadmill and nuclear stress tests, echocardiograms and stress echocardiograms, vascular exams, and event/Holter/MCOT monitors.

Gastroenterology (GI) Outpatient Procedure Center

Suite 404 | (470) 610-0145

Monday–Friday, 7:30 AM to 3 PM

Our GI Outpatient Procedure Center specializes in the prevention, diagnosis and treatment of digestive conditions through colonoscopy and upper endoscopy procedures. We provide safe, high-quality care in a comfortable and convenient setting, allowing patients to return home the same day. Our experienced team is dedicated to making each visit as smooth and stress-free as possible, with a focus on patient education, safety and personalized care.

Imaging Services

Suite 104 | (470) 267-0051 | Monday–Friday, 7 AM to 7 PM

Wellstar Cherokee Health Park's Imaging Services offers the latest technology and a variety of advanced exams, including exams for breast and heart health. Some services include Breast MRI, Cardiac MRI, MRI Defecography, MRE, MRA, CT Urography, Cardiac CTA, CT PE Protocol, CTA Abdomen/Pelvis, CTA Brain and CTA Neck.

We offer same-day appointments for your convenience. If a pre-certification is needed, patients will be scheduled as soon as possible. Most imaging reports are ready within 24–48 hours.

Lab Services

Suite 106 | (770) 793-5900 | Walk-ins welcome

Monday–Friday, 7:30 AM to 5 PM

The Lab Services team serves all ages, from newborn to senior patients. We partner with Wellstar Lab Services at Cherokee Health Park, Quest Diagnostics and Lab Corp to ensure the quality of every patient's care.

Most insurances are accepted. Self-pay pricing is available.

Northwest Georgia Oncology Centers (NGOC)

Suite 401 | (470) 267-0230

Monday–Thursday, 8:30 AM to 5 PM
Friday, 8:30 AM to 3 PM

At NGOC, we serve new patients and offer follow-up visits for hematology and medical oncology treatment. Using the latest research and technology, our dedicated team is here for you every step of the way, offering support from social workers, nurse navigation, and dietary and spiritual wellness. NGOC also has specialty pharmacy services for oral chemotherapy and medical administration via infusion or injection available on-site.

Outpatient Infusion Center

Suite 401 | 470-267-2878

Monday–Thursday, 8:30 AM to 4:30 PM
Friday, 8:30 AM to 3 PM

Wellstar infusion centers combine the convenience of community-based, highly experienced physicians, advanced practice providers and registered nurses with technologically advanced treatments. Serving new and established patients, our care team offers infusion therapies personalized for each patient's needs with care and compassion.

Rehabilitation Services

Suite 103 | (470) 267-0100

Monday and Wednesday, 7 AM to 4 PM
Tuesday and Thursday, 7 AM to 6 PM
Friday, 7 AM to 1 PM

With physical therapists and a certified hand therapist on staff, the Wellstar Physical Therapy team specializes in treating children, adults and seniors for many orthopedic conditions.

Services include aquatics, cancer rehab, hand therapy, balance training, dry needling, general ortho and vestibular therapy.

Sleep Center

Suite 307 | (470) 644-1755

Open Sunday–Friday

Find out what's keeping you awake. Our experienced sleep medicine team performs pediatric and adult sleep studies almost every night of the week.

Urgent Care

Suite 105 | (678) 494-2500 | Walk-ins welcome

Open 7 days a week, 7 AM to 10 PM

Patients from newborn through adulthood can be treated for a full range of minor and non-emergent medical conditions, including the flu, bites, burns, colds, coughs, sprains and more.

Next time, skip the line. To check in online, visit wellstar.org/checkin to sign up for a reservation.
