## Wellstar Acworth Health Park

## Comprehensive Care Convenient to You

Wellstar knows every person is different and comes with their own set of individualized health needs.

That's why Wellstar Acworth Health Park offers comprehensive care under one roof. From primary care and diagnostic medicine to treatment and follow-up services, getting a tailored wellness plan has never been more convenient. No two patients are exactly alike, and at Wellstar, we would never treat them that way.

### Cardiac Diagnostics

**Suite 213B | Scheduling: (770) 974-8479**  
Monday–Friday, 8 AM to 5 PM

Cardiac diagnostic testing is a safe, non-invasive way to detect certain heart conditions. Using your results from a combination of easy-to-perform tests, cardiologists can better diagnose and treat heart disease. Trust our expert care team of cardiovascular specialists, exercise physiologists, sonographers, nuclear technicians, and nurses to keep your heart healthy. Tests performed include treadmill and nuclear stress tests, echocardiograms and stress echocardiograms, vascular exams, and event/Holter/MCOT monitors.
