Wellstar Health System offers compassionate and professional support for those who have experienced a pregnancy loss, stillbirth or infant death. The Perinatal Bereavement Program is here to offer care and support throughout your bereavement journey.

Our groups are co-facilitated by a Wellstar Women's Services Chaplain, a NICU Nurse and a Child Life Specialist.

Email butterflyfootprints@wellstar.org to RSVP or to receive additional information about our Perinatal Bereavement Program.

Group Starts
on Tues.
March 12th
